# AUSSIE RHYMING SLANG

Dating back from convict days, Aussie rhyming slang is a creative way to play with language where you swap words that rhyme. For example: If you talked on the 'dog and bone', you would be talking on the 'phone'.

**Can you shade the pictures that rhyme in the same colour?**

**Hints:** Hat, Shoe, Cake, Bang, Spider, Crocodile, Pie, Bark, Kangaroo, Flag, Boomerang, Glider, Platypus, Fly, Snake, Shark, Octopus, Bag, Smile, Wombat.
